Prompt Payment. We are pleased to note the promptness and

care exercised by the Fidelity Beneficial society, of Elizabethtown, this county, in paying death claims which have been presented up to this time. Although this society has been organized very little more than a year ago, the marked dispatch which attended its payment of death losses has gained it a wide spread reputation, as well as secured to it parties who desire safe, positive and mutual insurance. All claims have been paid immediately after approval of death-proof, as the following receipt for insurance on the life of Jacob Sener, of this city, will demonstrate: LANCASTER, DEC. 1, 1880.

I hereby acknowledge the receipt of on thousand dollars, payment in full for polic No. 391, in the Fidelity Beneficial Society of Elizabethtown, Pa, on the life of Jacob Sener, my father, three days after the receipt of death-proof at the home office. Annie Sener, Lancaster, Pa. (Signed.)

Some prefer reversibles, some ulsterettes, and others the old style overcoat All these, together with a full line for youths and boys, are included in the stock of William son & Foster, 36 East King street, Lancaster Their figures are extremely low, owing to the immense sales already this season which have enabled them to purchase to great advantage.

A Lecture in German.

We take pleasure in directing the attention of our readers to an advertisement in another column of a lecture to be delivered in the German language to-morrow evening, by Rev. F Wischan, of Philadelphia. Our citizens have frequent opportunities to hear lectures in the English tanguage. Here an opportunity is offered to all who understand German to listen to a distinguished gentleman, who will address them in the tongue of the fathers on a subject both interesting and instructive: Rev. Wischan lectured in Zion's church a few years ago on his travels in the Holy Land. Those who heard him then will be pleased to hear him again. We bespeak a full house for the lecturer and for Zion's congregation.

To Accommodate the Public. The proprietors of that immensely popular remedy, Kidney-Wort in recognition claims of the public which has so liberally pa tronized them, have prepared a liquid preparation or that remedy for the special accommodation of those who from any reason dislike to prepare it for themselves. It is very concentrated and, as the dose is small, it is more easily taken by many. It has the same effectnal action in all diseases of the kidneys, liver or bowels.-Home and Farm. dl3-1wd&w

It is Worth a Trial. "I was troubled for many years with Kidney Complaint, Gravel, &c.; my blood became thin; I was dull and inactive; could hardly crawl about, and was an old worn-out man aif over, and could get nothing to help me, until I got Hop Bitters, and now I am a boy again. My blood and kidneys are all right, and 1 am as active as a man of 30, although I am 72, and I have no doubt it will do as well for others of my age. It is worth the trial.—(Father.)

Tons of Grapes and Their Use. It is astonishing to see the large quantity o grapes of the finest quality, and large clusters that are each year mashed up for wine, at the vineyards of A. Speer, Passaic, N. J. Mr. Speer buys large quantities of grapes, and also raises the Oporto grape, from which he makes his celebrated wine, without the admixture of alcohol or spirits. This wine is found by care tul analysis to be the best wine in market for invalids and debilitated persons. It is called Speer's Port Grape Wine, and is sold by druggists. It is extensively used by churches for the communion table. Excellent for tatigued females. This wine is recommended by Drs Atlee and Davis, and for sale by H. E. Slay dl-2wd&w

Ladies and Gentlemen : We announced in last Saturday's pa-

We now say that the goods have all been received, examined and marked, and are now ready for sale. There is no use in us begin ning to try to mention any of the immense quantity of articles that we now display, as we have not the advertising space to do it, but would invite all to come and see the articles themselves, as that will be more satisfactory, and besides will give you pleasure in doing so. In order to all these goods rapidly we have marked them very low, which you will find upon examination to be the case. We also opened yesterday a very handsome line of DRESS SILKS and BLACK CASHMERES, which we have marked very low for the Holidays. In Lace Goods and Handkerchiefs we have also just received an other large lot. We also call attention to our Window display. We invite all to give us a call, as it will give us pleasure to show our goods.
